Mindy is an Industrial Specialist with Commerce Real Estate Solutions, an independently owned and operated member of the Cushman & Wakefield Alliance.

Prior to joining Commerce, Mindy began her career in commercial real estate at CB Richard Ellis as a Marketing Specialist for one of the top producing industrial teams in the industry. Using her marketing and organizational skills, she helped the team develop a website, produce collateral materials, create tour packages, organized all team special events, and provided market research data. Mindy quickly learned the real estate industry and began working closely with clients on a day-to-day basis, using her knowledge and ability to help with real estate objectives.

Mindy's wide variety of experience in commercial real estate, management, accounting, and marketing, makes her a standout in the industry. She specializes in industrial and flex-space leasing, working as a leasing specialist representing both tenants and landlords. Whatever the objective may be, Mindy has the resources at hand to put together a plan-of-action or team to reach any real estate goal.

Her experience, knowledge and professionalism have given her the opportunity to work with such tenants as Honeywell, Paradise Bakery, ProTech Coatings, Elite Cleanroom; and landlords such as BH Properties, G&S Properties, DBSI Housing, Inc., and Business Depot Ogden.
