

Dan Ellertson

801-669-5119 • dellertson@comre.com

Daniel Ellertson brings 23 years of sales, marketing, and business management experience in the high tech industry to Commerce Real Estate Solutions. Dan founded and grew a global business manufacturing cables and connectors systems in their Southern China factory for major computer and mobile phone clients around the world. He combines his experience in business management, contract negotiations, sales, and customer service to provide strong value to owners and tenants alike.

In addition to being a business owner in Utah County for many years, Dan has served as a volunteer in the Boy Scouts and is on the Steering Committee of the Utah County Republican Party. He and his wife enjoy spending time with their family (6 children, 2 grandchildren) and traveling to places of interest around the world.

Education:

BA Economics Brigham Young University
MBA Brigham Young University
