### Professional Expertise

As senior director with Cushman & Wakefield/Commerce's Brokerage Services Group, Sean Barnes brings over eighteen years of experience in real estate advisory and commercial brokerage services. He has represented many well-known and highly regarded Puget Sound based companies focusing primarily on real estate portfolio strategies. Sean's specializes in portfolio assessment, financial analysis, strategic planning, lease acquisition and disposition, and investment sales. His expertise has been instrumental in assisting clients such as Clearwire, Fluke, and F5, develop and implement successful portfolio strategies throughout the world.

Prior to joining Cushman & Wakefield/Commerce, Sean Barnes was senior vice president with Jones Lang LaSalle and the Staubach Company. Sean has also provided acquisition and disposition services with Madison Realty Group, where he was responsible for the identification of property acquisition candidates, underwriting investment opportunities, analyzing repositioning strategies, equity partnerships, and debt placement. While there, he successfully completed sale transactions totaling over three million square feet of office and retail properties.
